

Tour of Duty 2012
BULLETIN

The 2012 Tour of Duty charity bike ride is committed to road safety. All participants, in support of Veterans, will at all times demonstrate ethical riding practices to enable a harmonious and safe co-existence with all road users on the Victorian riding route from Echuca to Melton.

Thank you to all those who have entered and we look forward to sharing the road and your company, during the four days of the event.

The 'Tour of Duty' route has been planned so that it is suited to a recreational ride. The peloton will include riders of varying experience, however as there are many who are regular cyclists, the inclusion of some sprints may be incorporated, at the discretion of VetRide.

Excluding the night before the start in Echuca, the ride will have three further overnight stops, at Bendigo, Maryborough and Ballarat.

The Vietnam Veterans Association Sub-Branched located in each of these towns have generously offered to donate their time and effort to the ride and they will be your welcome hosts.

Please contact me or any of the VetRide committee, if you have any queries about arrangements for the ride and including late entries.
