Vietnam Veterans Commemorative Walk

A plan by the Mitchell Sub branch of the Vietnam Veterans Association to give due recognition in perpetuity to all who served their nation in the Vietnam conflict.

The concept has a 300m pathway leading visitors through a series of walls inscribed with the names of all 62,100 personnel who served in Vietnam. Set in a landscape of native trees and grasses that resemble "Rubber Trees" and "Rice Paddies" will be areas of contemplation.
It will be built on the median strip of High St between Emily and Wallis Streets Seymour. The area is approximately 400 metres long and 30 metres wide. It will contain a representation of Luscombe Bowl as an interpretive centre, a plinth with the names of those Killed in Action surrounded by a paved forecourt and a meandering walk where the walls will name all who served, divided only by the Service in which they served. It is envisaged that there will be Military artefacts of the period, an Iroquois Helicopter, M2A2 howitzers, M113 APCs and a Centurion Tank.

You too can help in the construction of your Walk by buying a paver to commemorate a loved one or have your own service expanded as to when you were there and with which unit.
